

In order to submit your abstract you will have to first register on the Microsoft's Conference Management Toolkit website, which is being used by LASSNET to manage submissions.

### How to register as Author for Lassnet?

1. Go to <https://cmt3.research.microsoft.com/User/Register>

2. Enter your email id (to be used as username) and set a password of your choice for logging in to the conference submission website. LASSNET will use this email id for all future communication.

3. Further provide mandatory details like First, Last and Organization Name. Other details like phone number and alternate email are optional.

4. Fill the 'captcha' code correctly, check on 'I agree' box and click on the register button.

5. After successful registration, CMT will redirect you to conference list.

6. Click on your name that appears on Right Upper corner. A pop down list will appear – click on logout.
